## SAUVIGNON BLANC 2020 DISCOVERY COLLECTION

**THE WINE** | This rich and intriguing 2020 Sauvignon Blanc exemplifies why Paso Robles has emerged as a leading appellation for this classic Bordeaux variety. An enticing nose of gooseberry and lemongrass anticipates tempting notes of pineapple, kiwi and grapefruit. Suggestions of lime zest, quince and acacia flower round the aroma profile. The palate is clean, lively and elegant, exuding mouthwatering flavors of juicy pineapple, green apple, kiwi and melon. Lingering notes of key lime, white peach, dragon fruit and citrus persist through a long and lovely finish.

**THE VINTAGE** | DAOU Discovery Collection wines represent our passion for approachable luxury. Winemaker Daniel Daou has cultivated deep connections with families of growers for numerous vintages, allowing him to maintain absolute quality and consistency. The 2020 growing season began on a dry note, followed by much-needed rain in April that replenished the soils and set the stage for healthy canopy growth. Conditions through midsummer remained mild and steady, with the exception of a rare August thunderstorm. The wines of 2020 are marked by voluptuous mouthfeel with considerable flesh and power.

**DAOU FAMILY ESTATES** | Family owned and operated, DAOU Family Estates is committed to producing collectible, world-class wines to rival the most respected appellations in the world. Situated on a 212-acre hilltop estate in the Adelaida District of Paso Robles, our remarkable geology, favorable microclimate, and high elevation were once described by renowned California winemaker André Tchelistcheff as “a jewel of ecological elements.” As stewards of this beautiful terroir, DAOU’s goal is to make unique fine wines that honestly and accurately reflect the potential of the Estate and to craft Bordeaux style wines that combine Old World tradition with New World techniques.
