

# SALVESTRIN

2019  
NAPA VALLEY  
CABERNET SAUVIGNON

We farm these grapes ourselves to ensure maximum quality is achieved and maintained throughout the growing and winemaking process. The 2019 Napa Valley Cabernet Sauvignon opens with aromas of red plum, raspberry, toasted nuts, dried sage and leather. The attack is silky and seamless featuring integrated polished tannins which give way to an elongated finish. Unfiltered and showing excellent density, it concludes with hints of black cherry and baking spices.

\*Primary Vineyard Sources: Salvestrin Crystal Springs Vineyard and Salvestrin Dr. Crane Vineyard
